From The Preacher's Pen EMPHASIZING "THE BASICS"

Article by Dub McClish, preacher for the Northpoint Church of Christ in Denton, TX

Anytime men stray very far from "the basics" they fall far below their potential. A football team can have splendid athletes, but if it neglects crisp blocking and sure tackling [the team, B.G.] neutralizes its superior athletic ability. A move away from "the basics" in education a couple of generations ago has produced a school system whose high school (and some college) graduates cannot read and comprehend well enough to fill out a job application. Many in the church have moved away from individual and congregational spiritual "basics" in favor of various gimmicks and fads, trying to force church "growth" by human standards. However, when we forsake "the basics" (usually rather elementary things) for the showy and sensational, we always pay a high price eventually. The kind of growth the Lord wants comes from implementing some rather ordinary principles that are in reach of every Christian. If we want personally to grow spiritually and if we want the church to experience true growth, I suggest we pay close attention to the following "basics":

1. Read your Bible daily. It is good to be zealous, but zeal without knowledge is a very dangerous thing (Rom. 10:2-3). We can never learn too much of God's Word (Psa. 119:11).
2. Pray always. Make prayer a natural, consistent part of life, rather than a special religious exercise (1 The. 5:17-18). We often faint because we do not pray (Luke 18:1).

3. Live a pure life daily. We must keep ourselves pure from worldly stains (1 Tim. 4:12; 5:22; Jam. 1:27). Nothing impedes the Gospel more than the corrupt life of a Christian.
4. Think and live evangelistically. The fields are still white (John 4:35). Lost souls surround us who might be turned from the path of ruin by our words or deeds. Watch for opportunities to spread the Gospel. Nothing is more "basic."
5. Invite others to worship and class periods. Tell others of our newspaper articles, our Website, and our Bible correspondence course. These things are so elementary we may forget them. On behalf of Christ, let us say, "Come" (Rev. 22:17).
6. Look for ways to serve others daily. Jesus gauges our greatness by our service (Luke 22:26). Many disciples have forgotten we are here to serve, rather than to be served.
7. Practice self-examination and self-discipline. As we are to do this concerning the Lord's supper (1 Cor. 11:28), so we are to do it in all things (2 Cor. 13:5). If Paul, the spiritual giant of the first century, had to practice self-discipline (1 Cor. 9:27), then we surely need to do so.

The church whose members faithfully practice these "basics" will grow spiritually and numerically.
